ECP Waterproofing Membrane

Combines the durability of asphalt with the elasticity of rubber to provide a long lasting barrier against water leaks. ECP Waterproofing Membrane is roller or spray applied to a foundation to stop water from entering the basement.

Dimple Drainage Board

Sheet Drains for single side drainage applications are prefabricated products that consist of a solid, formed, three dimensional core covered with a geo-textile filter fabric bonded to the dimple side of the core.

ECP Sump Basin

The ECP sump pump basin is the most efficient, safe and innovative sump design available. The ECP sump basin is molded from high strength, impact resistant polyethylene to provide years of service in collecting water from around foundations. The unique bell shape, of the ECP Sump Basin, not only makes sump pump systems more efficient, but also increases the life of basement drainage systems.

ECP Sump Pumps

The ECP lineup of sump pumps include primary sumps from 1/3 to 1/2 horsepower that can pump up to 5,000 gallons per hour. Our battery backup sump pumps are the most energy efficient lineup of 12 volt backup sump pumps on the market, with high pumping capacities and infamous energy conservation.

ECP Drain Pipe

The ECP 400 Series Drain Pipe is the industry leading rigid drainage system for use on interior and exterior foundation drains, curtain and landscape drains, retaining walls, crawlspace and any other sub-surface water management applications. This drainage system is strong, easy to use and environmentally friendly. The ECP 400 Series drainage system utilizes the time proven principals used in French Drain systems while eliminating the problems.

ECP Sump Basin Extension

The ECP SPE is a twelve inch tall riser ring for the ECP Sump Basin. The Basin Extension is molded from the same high strength, impact resistant polyethylene that the ECP Sump Basin is made from. It attaches to the top of the ECP Sump Basin and can also attach to other extensions giving you the ability to install the basin as deep as needed. The Basin Extension is backed with a lifetime warranty.
